

2019 COLIBRI GRENACHE PICK 1

Colibri Vineyards, located in east-west running Whitetail canyon in the Chiricahua Mountains, is as stunning as its wines are interesting. Remote and beautiful, Colibri sits in a wild and ancient volcanic landscape. Despite this vineyard's high elevation and cooler climate relative to our other vineyards, warming trends in recent years have diminished the overt pepperiness of these wines (although it is still there). This has led to a more balanced palate with red cherry, red raspberry, stone fruits as well as a light dusty, peppery-earthly spice. Enjoy this beautifully balanced wine!
