

## 2021 DOS PADRES ROUSSANNE

Anyone who has visited the Page Springs Tasting Room in the past few years has certainly glanced to the West out at our beautiful Dos Padres vineyard on the other side of Oak Creek. Many have said that the high position and visibility of this vineyard truly transformed our valley into an indisputable wine region. True to the variety, Dos Padres Roussanne holds the promise of ageability due to its structured acidity. Pear, red-delicious apple, minerals, sea salt and almond sliver are but a few of the interesting characters this wine presents us. Culturally, here in the US, we tend to drink wines young. Try holding on to this for 2-3 years to allow some of the honey and jasmine to develop...you won't regret it!
