

2021 DOS PADRES SYRAH CLONE 470 PICK 1

PSC has been dedicated to crafting delicious Rhone style reds from our inception. Dos Padres Vineyard was planted with this in mind. Compared to our Estate vineyard, this site is higher in elevation and avoids the cold air draining throughout the valley. With more air flow and higher temperatures, Dos Padres gives us incredibly complex and rich reds. With origins in Southwestern France in the Languedoc-Roussillon region, clone 470 suits our valley because of its tendency to produce loose clusters which are less rot prone than many other Syrah clones. This is a dark, tannic, age worthy Syrah. There is a classic mosaic of boysenberry, clay, cacao, graham cracker and flinty notes here with dense mid-palate and a long finish. Give this wine ample air before enjoying young, or lay down for several years to bring out its full potential.
