

2022
Arizona Sparkling
Apple Wine

“Located in a Riverine cul-de-sac just a few miles upstream from our winery, Hidden Valley Orchard is a small Eden in a classic, central Arizonan, upland desert. The modest but densely planted organic orchard is owned by the Harper family and tended by manager Steve Maier.

Home to several varieties of apples including Rome Beauty, Gravenstein, Red & Golden Delicious, and Winesap, Hidden Valley Orchard was frosted in both 2021 and 2022 so the crop was small – but was just big enough to make this special wine! Enjoy this crisp, bubbly, slightly sweet and intensely apple’ee as an aperitif or even with brunch along side your morning toast and eggs. It’s quintessentially northern Arizona in a bottle!”
