

2022 VINO DE LA FAMILIA BLANCA

White wine for the Family! Familia Blanca is to be shared with the ones closest to you. Its fragrant, tropical aromas jump from the glass, stimulating both the senses and conversation. This wine has effusive, exotic tropical notes dotted with bright citrus, cannabis aromas and hints of spice. An aromatic powerhouse that is great by itself and should hold its own in culinary settings marked by strong flavors where it won't overpower its accompaniments.
