DESCRIPTION:

They say, "You shouldn't compare apples and oranges." We say, "Let's just mix them!" Vitae Spirits™ Fruitiness is a fruitilicious blend of five-year old distilled hard apple cider and orange extract made from the zest of navel oranges and Virginia hardy oranges. We then let the blend mellow and merge in barrels for over two years before bottling. You've probably never had anything like this before!

TASTING NOTES & USES:

A nose filled with apple pie spice, citrus oils, vanilla, wet limestone, and anis. Great sipped straight, or explore in cocktails where brandy and orange liqueurs are called for. Just add a little lemon juice and you've built a two ingredient Sidecar cocktail!
