DESCRIPTION:

Old Tom gin in the pre-prohibition era was in many ways considered the standard gin; a bit sweeter than London Dry gin, and perhaps a little less juniper berry forward. As with many spirits, prohibition decimated Old Tom style gin's popularity until the craft cocktail renaissance revitalized interest in classic cocktails. Vitae Spirits® Distillery's Distiller's Reserve Old Tom Gin is a small batch limited-release golden gin finished in bourbon barrels from our neighbors Ragged Branch Distillery, giving it a touch more sweetness and resinous spiciness than your run of the mill gin.

TASTING NOTES & USES:

It's amazing how 6 months in a barrel can change a gin. The oak adds a bit of smooth vanilla flavors, while the citrus and resinous juniper, coriander, and nutmeg-like aromas come to the foreground.
